

HEI FPGA/HDL Interest Group

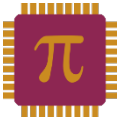

Oliver A. Gubler

Idea

- Bring all collaborators interested in FPGA/HDL together
- Informal exchange about languages/tools/techniques ...
 - Once every one to two months

Lisa Pathfinder

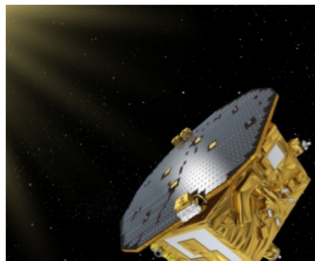

- The project for which I got employed at HEVs 10 years ago

LISA Pathfinder Reports Record-Breaking Gravitational Wave Results

The successful technology demonstration paves the way for detecting mergers of supermassive black holes with future space-based observatories
